

Tuesday 14th April  
WALT: Identify Angles

■ A right angle is 90 degrees.  
 Acute angles are less than a right angle.  
 Obtuse angles are greater than a right angle.

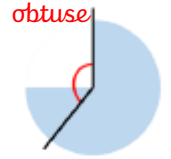

■ Sort the angles into acute, obtuse and right angles.

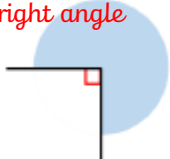

obtuse

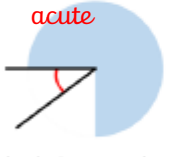

acute

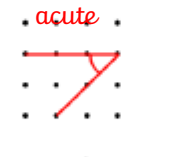

obtuse

right angle

acute

acute

acute

87°

obtuse

97°

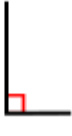

■ Label the angles. O for obtuse, A for acute and R for right angle.

 <div style="border: 1px solid #0070C0; border-radius: 10px; padding: 5px; margin-top: 10px; background-color: #D9EAD3;">         I know the angle is not obtuse.       </div> <div style="text-align: right; margin-top: 10px;">  <p>Teddy</p> </div> <div style="margin-top: 20px;">  <div style="border: 1px solid #0070C0; border-radius: 10px; padding: 5px; margin-left: 10px; background-color: #FFF2CC;">         I know the angle is acute.       </div> <p>Alex</p> </div> <div style="margin-top: 20px;">  <div style="border: 1px solid #0070C0; border-radius: 10px; padding: 5px; margin-left: 10px; background-color: #D9EAD3;">         I think the angle is roughly 45°.       </div> <p>Whitney</p> </div> <p style="margin-top: 10px;">Who is correct? Explain your reasons.</p>	<p>All are correct. Children may reason about how Whitney has come to her answer and discuss that the angle is about half a right angle. Half of 90 degrees is 45 degrees.</p>	 <p style="margin-top: 10px;">Is the angle acute, obtuse or a right angle? Can you explain why?</p>	<p>The angle is a right angle. Children may use an angle tester to demonstrate it, or children may extend the line to show that it is a quarter turn which is the same as a right angle.</p> 
<p style="margin-top: 10px;">Find the sum of the largest acute angle and the smallest obtuse angle in this list:</p> <div style="border: 2px solid #0070C0; border-radius: 10px; padding: 5px; margin-top: 5px; display: flex; justify-content: space-between; align-items: center;"> <span>12°</span> <span>98°</span> <span>87°</span> <span>179°</span> <span>90°</span> <span>5°</span> </div>	<p style="margin-top: 10px; font-size: 1.2em;">87° + 98° = 185°</p>
