

Calling all budding adventurers and travellers! We have a summer challenge for you based on the BBC program 'Race Across The World'. Your task is to work out how to get to Singapore from Norwich without using flights and stopping at different checkpoints along the way.

# RACE ACROSS THE WORLD

Each week, Miss Herron will give you a checkpoint to get to on Class Dojo. You will need to work out the best way of travelling there and research different things along the way. Some of the things she may ask you to look at in the countries you pass through are:

- The local food and drink
- Currency
- Famous landmarks
- Languages spoken

The challenge starts on the 20th July 2020! Good luck!
